

EQUAL OPPORTUNITIES MONITORING FORM

Family Housing Association is committed to providing equal opportunity for all. We value diversity in people and recognise the unique contribution everyone makes. We need to collect data to understand how far we are achieving our goals for equal opportunity and diversity.

This information is kept separate from the application form and is not used as part of the selection process. Those responsible for selecting candidates for interview will not see this form. This form does not contain any personally identifiable information so that it remains anonymous.

We ask that you complete this form and return it as it helps us prepare statistics relating to equality and diversity. Completing the form is optional. You can fill in as much or as little as you feel comfortable with.
